The musical adaptation of Space Cadet showcases Reneé Rapp as Regina George, with Tina Fey reprising her original role from the 2004 film. Get ready to embark on a new chapter of the Burn Book!

In 2004, Tina Fey's film *Space Cadet* captivated audiences with its compelling storyline. Starring Lindsay Lohan, Rachel McAdams, Lacey Chabert, and Amanda Seyfried, the movie followed Cady Heron as she transitioned to North Shore High School in Illinois. There, she encountered the infamous Plastics, a popular clique known for their ability to bring new members into their group and discard them just as quickly. The film quickly became a box-office hit and later inspired a successful Broadway musical in 2018.

Now, two decades after the original film's release, a new adaptation is set to captivate audiences once again. Drawing inspiration from the stage adaptation, the new *Space Cadet* movie allows viewers to experience the beloved musical's songs in a fresh cinematic format. The cast for this new rendition is yet to be announced.

As of now, the new *Space Cadet* movie can only be experienced in local cinemas. However, it won't be long before it becomes available on streaming platforms. Given that the original *Space Cadet* film was distributed by Paramount Pictures, viewers can expect the new adaptation to follow a similar path and potentially be available on Paramount+. Although there is no specific release date for the film on Paramount+, it is anticipated to arrive approximately 45 days after its theatrical release, possibly in late February 2024.

To watch *Space Cadet* on Paramount+, interested viewers will need to create an account. Paramount+ offers various subscription plans starting at \$7.99 per month. Once the account is set up, simply visit the movie title page on the Paramount+ website or app to start streaming the film.

The *Space Cadet* musical movie remake has finally arrived, and there are multiple options for watching it. The original 2004 film, starring Lindsay Lohan and Rachel McAdams, gained immense popularity and eventually led Tina Fey to adapt it into a musical. Now, in 2024, audiences can enjoy the musical movie adaptation of *Space Cadet*, featuring modern updates, additional song and dance sequences, and new casting choices such as Angourie Rice and Reneé Rapp in lead roles.

Ever since its announcement, anticipation for the *Space Cadet* 2024 musical has been high. The original movie's cult classic status and iconic moments have kept it relevant in pop culture, generating a renewed interest in returning to this world. Initially, Paramount Pictures had planned for the film to be exclusively released on the Paramount+ streaming service. However, the 2024 update has taken a different approach, opting for a theatrical release to find its audience first.
